

List View

Import your own data, append details from USP to your data and export the latest figures in the exactly the format you require using a **TEMPLATE** you define. Review companies selected and refine results based on keyword screening.

CRM

Organise your data in a **PROJECT**. You can make calendar appointments, edit your own data, add notes & link your data to the latest USP information. The CRM is where you save any list you are working on, enabling incremental advances in refinement and focus.

Find A Firm

View or print the latest details of any of the 5M live UK companies. Follow directorships & parent subsidiary relationships. Check which sector any UK company operates in.

Workspace

Dashboard

The Dashboard interface includes a top navigation bar with icons for home, document, user profile, settings, and share, and a vertical sidebar with colored tabs. It contains two informational boxes: an orange box stating "Download or manage your list of the **SAVED SEARCHES** which you have created on the workspace.." and a purple box stating "Download any of the 1730+ **STANDARD REPORTS** in eBook, spreadsheet or contact lists format".
